

"WALL OF HONOR"

United States Air Power Museum has the distinct honor and privilege of offering you an opportunity, as a Veteran or active military service member, to have your name permanently engraved on the "Wall of Honor." Family members and/or friends of Veterans who wish to have a Veteran's name engraved on the wall, may do so as well.

The "Wall of Honor" pays tribute to men and women from all branches of the United States military services who have made the supreme sacrifice as well as Veterans who are alive and have served the United States of America during peacetime or war, at home or abroad, in defense of our country. There is no more fitting honor to a Veteran than to be memorialized with their name engraved on this beautiful black granite monument. Celebrate America's military spirit of duty, honor and country! This is a unique opportunity to be a part of history!
