Five Local Veterans Will Compete in the National Wheelchair Games

FRESNO –VA Central California Health Care System will be represented by five Veterans at the National Veterans Wheelchair Games in Pennsylvania, on August 12-17, 2014.

The Fresno Team will be competing in nine events: air guns, archery, bowling, hand cycling, nine-ball, power soccer, softball, swimming and table tennis.

Larry Green, Samuel Keeney and Timothy Daubert are well-known champions, who have participated in past Games and have brought home seven medals in last year's competition. Jennifer Reynolds and Michael Jorgensen are new rising stars, who have what it takes to become a winner: discipline, focus, determination and talent.

Adaptive sports are part of the VA's Recreation Therapy Program, and have changed the life of many disabled Veterans, developing independence, confidence and a better quality of life.
