Parental Consent for Emergency Treatment and TB Testing

Note to Students and Parents: The VA medical center is a federal building, and, as such, must be open to the public. Our employees, patients and volunteers come from diverse backgrounds. Eligible veterans are entitled to services offered by VA, even if they have had problematic incidents in their past - unless the law specifically disqualifies them. Our job is to provide veterans care and to protect our employees, patients and volunteers as that care is provided.

Student Volunteer: If accepted, I agree to adhere to the policies and procedures of this VA healthcare facility and to respect the confidentiality of information pertaining to the patients and their treatment. If a patient, staff member, volunteer, and/or visitor is abusive, makes inappropriate gestures, advances or conversation, that is in a manner which makes me feel uncomfortable, I will immediately inform my supervisor or a VAVS staff member.

OSHA (Occupational Safety and Health Administration) requires a tuberculosis test at the beginning of your volunteer experience. The quantiferon test is a onetime blood draw. Otherwise, two separate skin tests are applied approximately 7-10 days apart. The TB test is applied free of charge.

If you have had a TB Test in the past 6 months, please bring in your results.
